SPECIAL BUSINESS

Item No. 4

Regulation 23 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, ('SEBI Listing Regulations'), as amended on November 09, 2021 vide SEBI (Listing Obligations and Disclosure Requirements) (Sixth Amendment) Regulations, 2021, effective from April 1, 2022, states that all related party transactions with an aggregate value exceeding Rs. 1,000 crore or 10% of

annual consolidated turnover of the listed entity as per the last audited financial statements, whichever is lower, shall be considered as material related party transactions and shall require approval of shareholders of the listed entity by means of an ordinary resolution.

The amended Regulation 2(1)(zc) of the SEBI Listing Regulations has widened the definition of related party transaction which now includes a transaction involving a transfer of resources, services or obligations between a listed entity or any of its subsidiaries on one hand and a related party of the listed entity or any of its subsidiaries on the other hand, regardless of whether a price is charged or not. The related party transactions for which this proposal is placed before the shareholders is between STL Global Limited and Shyam Tex Exports Limited.

Shyam Tex exports Limited is a 'Related Party' of the company within the meaning of Section 2(76) of the Companies Act, 2013 and as per provisions of SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015. The Company in the ordinary course of its business does a Sale/Job-work transaction with Shyam Tex exports Limited. Performance of your Company

The years 2020 and 2021 were a challenging time for the Indian textile industry. Production schedules slipped and products mix went for a toss. Unfazed by all the setbacks, overall, the industry weathered the storm and a cross-section of the industry. The Home Textile industry is facing significant headwinds given the rise in input cost, logistical challenges, inflationary pressures, and a volatile global environment, which is putting untoward pressure on margin and demand. What is even more worrying is that China and Pakistan are chipping away at the market share of Indian cotton imports in the US, says a recent study.

The war in Ukraine has triggered a costly humanitarian crisis that demands a peaceful resolution. At the same time, economic damage from the conflict will contribute to a significant slowdown in global growth in 2022 and add to inflation. Fuel and food prices have increased rapidly, hitting vulnerable populations in low-income countries hardest. Global growth is projected to slow from an estimated 6.1 percent in 2021 to 3.6 percent in 2022 and 2023. This is 0.8 and 0.2 percentage points lower for 2022 and 2023 than projected in January. Beyond 2023, global growth is forecast to decline to about 3.3 percent over the medium term. War-induced commodity price increases and broadening price pressures have led to 2022 inflation projections of 5.7 percent in advanced economies and 8.7 percent in emerging market and developing economies—1.8 and 2.8 percentage points higher than projected last January. Multilateral efforts to respond to the humanitarian crisis, prevent further

economic fragmentation, maintain global liquidity, manage debt distress, tackle climate change, and end the pandemic are essential.

On the other hand, continuous Efforts of the Management of your company even facing COVID-19 pandemic situation resulted to increase to some extent the textile segment of the company. Further company has settled or in process of settlement of secured/unsecured Loans of Banks. The Management of your is still positive in this expected economic slow down and foresees and ready to grab a good opportunity in increasing dollar price.

Operations

Results of the Company for the last financial year are as follows; Total revenue for the year ended 31st March, 2022 has been increased to Rs. 120.41 Crores as compared to previous year's Rs. 72.33 Crores. Hence there was an increase of approx. upto 65%. The operating profit before tax and exceptional items is Rs. 3.00 Crores. The net profit for the year after current year tax and deferred tax is Rs. 3.50 crores as compare to net profit of Rs. 1.66 crores in the previous financial year before exceptional items which is mainly due to reversal of provision of interest.

Dividend

The Board of Directors of the Company does not recommend any dividend for the financial year ended 31st March, 2022.

Unclaimed Dividends:

Company has not paid any dividend in last considerable years so the applicability of different rules, act and regulation is not applicable.

Annexure – I**MANAGEMENT DISCUSSION AND ANALYSIS REPORT****Global economic overview and Indian Economic Conditions**

A tentative recovery in 2021 has been followed by increasingly gloomy developments in 2022 as risks began to materialize. Global output contracted in the second quarter of this year, owing to downturns in China and Russia, while US consumer spending undershot expectations. Several shocks have hit a world economy already weakened by the pandemic: higher-than-expected inflation worldwide—especially in the United States and major European economies—triggering tighter financial conditions; a worse-than-anticipated slowdown in China, reflecting COVID- 19 outbreaks and lockdowns; and further negative spillovers from the war in Ukraine.

The war in Ukraine has triggered a costly humanitarian crisis that demands a peaceful resolution. At the same time, economic damage from the conflict will contribute to a significant slowdown in global growth in 2022 and add to inflation. Fuel and food prices have increased rapidly, hitting vulnerable populations in low-income countries hardest. Global growth is projected to slow from an estimated 6.1 percent in 2021 to 3.6 percent in 2022 and 2023. This is 0.8 and 0.2 percentage points lower for 2022 and 2023 than projected in January. Beyond 2023, global growth is forecast to decline to about 3.3 percent over the medium term. War-induced commodity price increases and broadening price pressures have led to 2022 inflation projections of 5.7 percent in advanced economies and 8.7 percent in emerging market and developing economies—1.8 and 2.8 percentage points higher than projected last January. Multilateral efforts to respond to the humanitarian crisis, prevent further economic fragmentation, maintain global liquidity, manage debt distress, tackle climate change, and end the pandemic are essential.

Looking ahead, the inflation trajectory will depend critically upon the evolving geopolitical situation and its impact on global commodity prices and logistics.

Industry Structure and Development:

The years 2020 and 2021 were a challenging time for the Indian textile industry. Production schedules slipped and products mix went for a toss. Unfazed by all the setbacks, overall, the industry weathered the storm and a cross-section of the industry.

Indian Textile Market evidenced the following positive aspects: -

1. Close to Rs.203000 crores have been invested in textile industry with direct and indirect employment of about 105 million people in the last decade
2. Production-Linked Incentive (PLI) Scheme for Man Made Fiber (MMF) segment and technical textiles, notified in September 2021, for enhancing India's manufacturing capabilities and enhancing exports will focus on promotion of 40 MMF apparel and 10 Technical textiles lines. It is estimated that over the period of five years, the PLI Scheme for Textiles will lead to fresh investment of more than Rs.19,000 crore, cumulative turnover of over Rs.3 lakh crore will be

achieved under this scheme and, will create additional employment opportunities of more than 7.5 lakh jobs in this sector.

3. The government notified the setting up of 7 PM MEGA INTEGRATED TEXTILES REGION AND APPAREL PARK (MITRA) in October 2021 with a total outlay of Rs.4,445 crores. The scheme is expected to strengthen the vision of *AtmaNirbhar* Bharat and to position India strongly on the global textiles map.
4. PM MITRA inspired from 5F's -farm to fibre; fibre to factory; factory to fashion; fashion to foreign -will strengthen the textile sector by developing integrated large scale and modern industrial infrastructure facility for entire value-chain of the textile industry. It is expected to reduce the logistics cost and will help India in attracting investments, and boosting employment generation. Competitiveness Incentive Support (CIS) of Rs.300 Crore will also be provided to each PM MITRA Park for early establishment of textiles manufacturing units in PM MITRA Park
5. Amongst the manufacturing sector, textiles and wearing apparel staged strong recovery and reverted to positive growth trajectory from March 2021 onwards

Market Size

The Home Textile industry is facing significant headwinds given the rise in input cost, logistical challenges, inflationary pressures, and a volatile global environment, which is putting untoward pressure on margin and demand. What is even more worrying is that China and Pakistan are chipping away at the market share of Indian cotton imports in the US, says a recent study.

India's market share in US cotton sheet imports fell to 50% in 4QFY22 from 60% in 4QFY21, whereas China and Pakistan gained about 5% market share each. In the Terry Towels segment, India's share has fallen by 300bp to 40% in 4QFY22 (v/s 43% in 4QFY21), while China/Pakistan's share remained constant at 20%/23%.

What has exacerbated the matter is that depreciation in the US Dollar (USD): Pakistani Rupee (PKR) helped Pakistan gain market share in the US and Europe as buyers see better pricing for its products. USD: PKR depreciated by 21% as against a 6% depreciation in the USD: INR from Sep'21 to May'22. However, the expected signing of the FTA with the UK and Europe will bring Indian products on par with that of Pakistan

Opportunities and Threats:

All cotton textile and clothing products – yarn, fabrics, and made ups – had seen growth, according to data with Texprocil. Exports to countries such as Bangladesh, U.S., Portugal and Sri Lanka had seen a significant jump. Yarn exports to China had increased and cotton textile exports to countries such as Egypt and Portugal had also increased. It indicated that Indian exporters were finding new markets. There had been an increase in volume of exports too, especially for yarn and fabrics.

Prices of cotton may remain high and Indian exporters should rebuild their business model, factoring in high raw material prices, to remain competitive, industry sources said.

We need to wait and watch the sustainability of this growth as there are supply chain constraints, high raw material prices, etc. These are adding to the worries of the trade.

Challenges, Threats, Opportunities and Road Ahead

According to the data released by the Confederation of Indian Textile Industry (CITI), the recovery for the domestic market is expected to be quite steep post pandemic with the domestic market estimated to reach USD 120 billion (INR 9,074 billion) by 2024. Apparel retail is even projected to contract by ~USD 27 billion (INR 2,042 billion) in FY 2020-21 as compared to Pre Covid-19 projections for the same period against the ~USD 20 billion (INR 1,512 billion) from the base of FY 2019-20.

[1] CAGR 10-12%, to reach USD 220 Billion in 2025-26 but now things are not certain as industry has shrunk approx. 30% domestically in the first quarter and impact on export is also very huge. The International Textile Manufacturers Federation (ITMF) has found in a survey that 8% avg. orders have dropped worldwide and are expected 10% down from 2019.

With around 80 per cent of the garment industry mostly micro, small and medium enterprises, CMAI, which has around 3,700 members employing over 7 lakh people, said most of its members do not have the kind of reserves to see them beyond 3-6 months.

If the garment industry closes down, it would impact the entire value chain from fabric supply industry to brand to the zipper and label industry India is the world's fifth biggest T&A exporter with a 4% share of the \$840 billion global market, while China controls more than a third of it. India's exports were on a par with closest rival Bangladesh about a decade ago but have lagged in recent years - especially on garments - partly due to higher labour costs that make Indian clothes some 20% costlier.

After seeing a rise of 41 per cent in India's textiles and apparel exports to \$44.4 billion in 2021-22, the increase in cotton and yarn prices is leading to a demand drop of at least 10 per cent so far during the current financial year, say industry sources.

Last year's rise in exports was owing to pent-up demand in the US and Europe and China Plus One Policy followed by several countries. Factories in India were also not much affected by the pandemic last year. Even the unlisted companies have performed well. This year, demand has slowed down as raw material prices are too high. The industry body is of the view that the sector is seeing a demand drop of at least 10 per cent during the first two months of the fiscal, compared to the same time in 2021-22.

The price of cotton in India had more than doubled to cross Rs 100,000 mark per candy during the current financial year, leading to an increase in yarn prices too. Industry bodies had approached the government seeking a ban on the futures trading of cotton and restrictions on cotton and yarn exports.

The crisis due to the rise in raw material prices is evident this year and hence, it may not be the same as last year. Those who had large stocks of cotton or yarn taken at old rates will still benefit from this current rise.

Primarily Ukraine crisis seems to be one of the major reasons for the dip in demand from the US and Europe this year. According to the media reports, new garment companies from countries like the Czech Republic, Egypt, Greece, Jordan, Mexico, Spain, Turkey, Panama, and South Africa have

started negotiating with the Indian companies following the lockdown in China. However, industry players say such orders are minimal compared to last year.

When it comes to outlook, companies involved in the sector say although there are significant headwinds in the near term, they remain positive on demand in the mid to long run, due to expansion in export opportunities on account of the Foreign Trade Agreements (FTA) signed by India with nations such as Australia and the UAE. An FTA with the UK is expected to be finalized soon. Discussions on an FTA with Europe is set to begin by Jun'22.

Such FTAs, along with the government's steps to support the Indian Textile exports, reflects positively on the long-term outlook for the industry,

The Management of your is still positive in this expected economic slow down and foresees and ready to grab a good opportunity in increasing dollar price.

Independent Auditor's Report

To the Members of **STL GLOBAL LIMITED**

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **STL Global Limited** ("the Company"), which comprise the balance sheet as at March 31, 2022, the statement of Profit and Loss (including other comprehensive income), the statement of changes in Equity and the statement of cash flows for the year then ended, and notes to the financial statements including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as 'the Financial Statements').

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 as amended ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and its profit (including other Comprehensive Income), changes in Equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirement that are relevant to our audit of the financial statements under the provisions of the Act and the rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to be communicated in our report.

Information other than the Financial Statements and Auditors' report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the 'Annexure A', a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including other comprehensive income, the statement of changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.

- d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act read with the relevant rules issued thereunder, as applicable.
- e) On the basis of the written representations received from the directors as on 31st March, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in 'Annexure B' to this report.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended. As per the information and explanation given to us and on the basis of examination of the records, managerial remuneration has been paid or provided as specified by the provisions of Section 197 of the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed pending litigations and the impact on its financial position in the Financial Statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year.
 - iv. (a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the company from any person(s) or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

(c) Based on such audit procedures performed, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material mis-statement.

- v. No dividend has been declared or paid during the year by the company.

Report on Internal Financial Controls Over Financial Reporting

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **STL GLOBAL LIMITED** ("the Company") as of March 31, 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
3. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Statement of Compliance

These Financial statements have been prepared as a going concern in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016 notified under Section 133 of the Companies Act, 2013 ("The Act ") and other relevant provisions of the Act.

The financial statements were authorised for issue by the Company's Board of Directors on 28th May 2022.

Basis of preparation and presentation

The financial statements have been prepared on the historical cost convention on the accrual basis except for certain financial assets and liabilities (including derivative instruments) and net defined benefits (assets/liability which are measured at fair value.

The financial statements are presented in and all values are rounded to the nearest to the rupees, except when otherwise stated.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or are vision to an exciting accounting standard require a change in the accounting policy hitherto in use.

1.2 Use of Estimates, assumptions and judgements

The estimated and judgements used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Differences between actual results and estimates are recognised in the period in which the result are known/materialised.

The said estimates are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

1.3 Property, plant and equipment

Property, plant and equipment (PPE) are initially recognised at cost. The initial cost of PPE comprises its purchase price, including non refundable duties and taxes net of any trade discounts and rebates. The cost of PPE includes borrowing cost directly attributable to acquisition, construction of qualifying assets subsequent to initial recognition, PPE are stated at cost less accumulated depreciation (other than freehold land , which are stated at cost) and impairment losses, if any.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item flow to the company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repair and maintenance are charged to profit and loss during the reporting period in which they are incurred.

Depreciation is recognised so as to write off the cost of assets (other than freehold land and Capital work in progress) less their residual value over the useful lives using the Written Down Value method (W.D.V) in the manner prescribed in the schedule II of the Act.

Current investment are carried at cost and measured subsequently at fair value either through other compherensive income, or through profit or loss.

1.12 Employee benefits**Short term employee benefits**

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits and they are recognized in the period in which the employee renders the related service. The company recognizes the undiscounted amount of short-term employee benefits expected to be paid in exchange for services rendered as a liability (accrued expense) after deducting any amount alerady paid.

Long term employee benefits**Defined contribution plans**

Contributions to defined contribution schemes such as employees state insurance, labour welfare fund, superannuation scheme, employee pension scheme etc. are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. Company's provident fund contribution is made to a government administered fund and is charges as an expense in the Statement of Profit and Loss. The above benefits are classified as Defined Contribution Schemes as the Company has no further obligations beyond the monthly contributions.

Defined benefit plans

Gartuity liability is defined benefit obligations and is provided for on the basis of an actruial valuation made at the end of the each financial year.

Provision for compensated absence are provided for based on the estimates. Long term compensated leave are provided for based on actruial valuation at the year end.

Actruial gain/losses are immediately taken to profit and loss account and are not deferred.

The Company's contributions to State plans namely Employee State Insurance Fund and employees Pension Scheme are charged to Profit & Loss Account.

1.13 Borrowing costs

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying assets is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to revenue.

1.14 Taxes on income

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantially enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets in respect of unabsorbed depreciation and carry forward of losses are recognised only if there is virtual certainty that there will be sufficient future taxable income available to realise such assets. Deferred tax assets are recognised for timing differences of other items only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each Balance Sheet date for their realisability.

1.15 Impairment of non-financial assets

An asset is treated as impaired when the carrying cost of assets exceeds its recoverable value. An impairment loss is charged to the Profit & Loss statement in the year in which an asset is identified as impaired. The Impairment loss recognised in prior accounting period is reversed if there have been a change in the estimate of recoverable amount.

1.16 Contingent Liability

Contingent liabilities in respect of show cause notices received is considered only when they are converted into demands. Payments in respect of such demands, if any are shown as advances.

Contingent liabilities under various fiscal laws includes those in respect of which the company/ Department is in appeal. No Provision is made for a liability which is contingent in nature but if material is disclosed in the financial statement by way of notes.

1.17 Current versus non-current classification

The classification of Assets and liabilities of the Company into current or non-current is based on the criterion specified in the schedule III to the Companies Act, 2013. The Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities except trade receivables.

1.18 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognised when Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the statement of profit and loss.

(i) Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received. Incremental costs directly attributable to the issuance of new ordinary equity shares are recognized as a deduction from equity, net of tax effects.

(ii) Financial assets**(a) Financial assets at amortised cost**

Financial assets are subsequently measured at amortised cost using the Effective Interest Rate method (EIR) if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss. This category generally applies to bank deposits, loans and other financial assets.

(b) Financial assets at fair value through profit or loss (FVTPL)

Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition.

(c) Impairment of financial assets

In accordance with Ind-AS 109, the Company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss on the financial assets and credit risk exposure.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the statement of profit and loss (P&L). This amount is reflected under the head 'other expenses' in the P&L. In balance sheet, ECL is presented as an allowance, i.e., as an integral part of the measurement of financial assets.

(d) Derecognition

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

(iii) Financial liabilities**(a) Financial liabilities at amortised cost**

Financial liabilities are measured at amortised cost using the effective interest rate method (EIR). Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss. This category applies to trade and other payables.

(b) Derecognition

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability derecognised and the consideration paid / payable is recognised in the statement of profit and loss.

(iv) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

1.19 Standards issued but not effective

As on the date of approval of these financial statements, there were no new standards or amendments which have been notified but not yet adopted by the Company and expected to have any material impact on the financial statements of the Company.

1.20 Recent Amendments to New Accounting Standards:

On March 23, 2022, Ministry of Corporate Affairs ('MCA') amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, applicable from April 01, 2022 as below:

Ind AS 103- Business Combinations

The amendment clarifies that while applying the acquisition method for recognition, the assets and liabilities taken over, in a business combination, must meet the definitions of assets and liabilities in the conceptual framework for Financial Reporting under Indian Accounting standards issued by the Institute of Chartered Accountants of India at the acquisition date. The Company does not expect the amendment to have any impact in its financial statements.

Ind AS 16- Property, Plant and Equipment

The amendment requires that excess of Net sale proceeds of items produced over the cost of testing, if any, shall not be recognised in the profit or loss but deducted from directly attributable costs considered as part of cost of an item of Property, Plant and Equipment. The Company does not expect the amendment to have any significant impact in its financial statements.

Ind AS 37- Provisions, contingent liabilities and contingent assets

The amendment clarifies in relation to onerous Contracts that the cost of fulfilling a contract comprises the costs that relate directly to the contract which consist of incremental costs of fulfilling that contract (examples would be direct labour, materials) and an allocation of other costs that relate directly to fulfilling contracts. The Company does not expect the amendment to have any significant impact in its financial statements.

Ind AS 41- Agriculture

The amendment relates to recognition and measurement of biological assets are agricultural produce. The Company does not expect the amendment to have any impact in its financial statements.

Ind AS 109- Financial Instruments

The amendment clarifies that while determining the fees paid (Net of fees received) when a borrower applies the '10 percent test of Ind AS 109 in assessing whether to derecognise a financial liability, the borrower to include only fees paid or received between the borrower or lender, including fees paid or received by either the borrower or lender on the other's behalf. The Company does not expect the amendment to have any significant impact in its financial statements.

34.3 Financial risk management framework

Company's activities expose it to financial risks viz credit risk and liquidity risk

a) Credit Risk

Based on the overall credit worthiness of Receivables, coupled with their past track records, Company expects No / Minimum risk with regards to its outstanding receivables. Also, there is a mechanism in place to periodically track the outstanding amount and assess the same with regard to its realisation. Company expects that all the debtors will be realised in full, and adequate provisions has been made in the books of accounts for doubtful receivables

b) Liquidity Risk

(i) Liquidity Risk Management

The Company manages liquidity risk by maintaining adequate reserves and banking facilities, by continuously monitoring forecast and actual cash flow and by matching the maturity profiles of financial assets and liabilities.

(ii) Maturities of Financial Liabilities

The following tables details the Company's remaining contractual maturities for its non-derivative financial liabilities with agreed repayment periods. The amount disclosed in the tables have been drawn up based on the earliest date on which the Company can be required to pay.

Particulars	Less than 1 Year	1-5 Year
31st March, 2022		
Long Term Borrowings	-	53,700,000
Trade Payables	178,215,042	-
Other Financial Liabilities	105,000,000	-
Total	283,215,042	53,700,000

Fair value measurement

The management assessed the fair value of loans, current investments (unquoted), cash and cash equivalents, trade receivables, trade payables and other current liabilities approximate to their carrying amount largely due to the short-term maturities of these instruments.

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. The following methods and assumptions were used to estimate the fair values.

(i) The fair value of unquoted instruments are evaluated by the Company based on parameters such as interest rates and its investments rating.

(ii) The fair value of loans are estimated by discounted cash flow method to capture the present value of the expected future economic benefits that will flow to the company.
